Investor Presentation

Vision	- A leading provider of products and services in the cooperative Building and Living ecosystem in close cooperation with the cooperative banks
Mission	- To create and preserve homes
Position	- Sustainable real estate financing provider and part of the German Cooperative Banking Group - New business: housing financing €15.8 billion and Bausparen €20.5 billion⁴
Earnings position/ Balance sheet	- €122m profit before tax (IFRS consolidated) - Total assets €80.8bn (IFRS consolidated)
Sales network	- Approximately 3,000 sales agents and almost 100% of cooperative banks
Customers	- Around 6m customers in Germany
Cover pool/ Rating	- Highly granular cover pool from purely residential loans - Our Pfandbriefe have been awarded the top Aaa rating
Funding	- The issuance of Pfandbriefe serves to refinance housing financing
Outlook	- Private households continue to be very keen to buy homes, but the market environment is challenging (including high inflation and interest rates). High volume of energy-efficient refurbishments expected in future - The energy renovation requirement is estimated at €80 billion p.a. in 2025¹ - The volume of (debt) financing in the housing financing business with private households in Germany is expected to be around €200 billion in 2025² - Stable Bauspar market expected at the level of 2024³

How Does Bausparen Work?

¹AVWL: payments by employer in addition to salary depending on industry

²Income limits and other conditions apply

³If eligible/conditions are satisfied

⁴Other allocation conditions apply

Saving equity capital

For Bausparen, the customer enters into a **Bauspar contract** for a specific Bauspar sum and saves about half of this amount in regular instalments

Taking out loans

Once the agreed portion of the Bauspar sum has been saved⁴, a **low-interest Bauspar loan** can be taken out for the remainder

Paying back convenient instalments

In the **interest/principal repayment phase**, the customer pays back the loan in regular monthly instalments

Our Target Vision for the Funding Structure

Asset	Liabilities	Note
Bauspar loans		
Own investments		
	Bauspar deposits	– The new lending business increases total assets – Issuance of Pfandbriefe as an additional, sustainable and low-cost source of funding in line with the business model – Future growth in cover pool will enable regular issuances in sub-benchmark and benchmark formats – Bauspar deposits will remain an important source of funding – Additional requirements will be met by borrowing
Non-collective loans	Pfandbriefe	
	Borrowings and other liabilities	

Future funding via Bauspar deposits and **Pfandbriefe**
